

April 1, 2022

M U T O H HOLDINGS CO.,LTD.

Yasuhiko Isobe

President and Chief Executive Officer

Acquisition of AMP SPEED

MUTOH HOLDINGS CO., LTD. today announced that it has acquired all shares of AMP SPEED INC., making it a wholly owned subsidiary as of April 1, 2022.

AMP SPEED has been engaging in development, manufacture, and sales of irradiation units and inspection equipment for ink curing, lighting, and semiconductor manufacturing equipment by applying lighting source technology, offered UV-LED irradiators as core products.

On the other hand, MUTOH INDUSTRIES LTD., a subsidiary of MUTOH HOLDINGS, has been engaging in development, manufacture, and sales of wide-format inkjet printers, 3D printers and design and measurement equipment, and will mainly promote enhancement of competitiveness in the large-format inkjet printer market and its applications to new products with the technology and know-how owned by AMP SPEED.

The two companies will share the manufacturing expertise as a platform that MUTOH INDUSTRIES has cultivated over the years, and strengthen and expand AMP SPEED's business with its core lighting source technology while also developing markets in the new fields, to set up solid business foundations of MUTOH Group by creating synergic effect.

The trade name, representative and location on AMP SPEED will remain the same to continue the business.
